Insomniac Press. Paperback. Book Condition: new. BRAND NEW, Method of Madness, Brad Kelln, After the explosive capture of escaped serial rapist Edward Carter, it seems the city of Halifax has survived the greatest evils it has ever witnessed. However, just less than a year later, frightening things begin to happen. When Dr Brian Claric gets too involved in the case of a psychiatric patient, he uncovers a conspiracy of unorthodox psychological tests taking place across Halifax, tests that cause random victims to become delusional and deadly. What's more, Claric has reason to think serial rapist Edward Carter is back from the dead! Soon, forensic psychologist Dr Michael Wenton and Detective Mitchell Wa of the Halifax Police Force find themselves caught up in this dangerous web of conspiracy, electronic weapons and the dark corners of the human soul, following a trail that may finally lead to answers in the Carter case. But will their investigation into this method of madness crack open a Pandora's box of evil instead?.
