

Developing Clinical Competence: A Workout for the OTA (Paperback)

By Marie J. Morreale

SLACK Incorporated, United States, 2014. Paperback. Book Condition: New. Workbook. 278 x 214 mm. Language: English . Brand New Book. Developing Clinical Competence: A Workbook for the OTA helps occupational therapy assistant (OTA) students and novice practitioners develop the practical problem-solving and real-life skills essential for fieldwork and clinical practice. This user-friendly workbook helps the reader apply occupational therapy concepts and improve the clinical reasoning skills needed for academic coursework and successful transition to fieldwork and entry-level clinical practice. The methods, learning activities, and worksheets presented in Developing Clinical Competence stem from Marie J. Morreale's more than 15 years of experience teaching OTA students. Worksheets and learning activities address areas such as professionalism, ethical behaviour, clinical decision making, effective communication, roles and responsibilities, selecting and implementing interventions, safety, assessing client function, documentation, group process, and more. The worksheets, learning activities, and suggested worksheet answers are written in an easy-to-read format and include a variety of methods such as multiple choice, matching, and true/false questions; case studies; vignettes; fill in the blanks; and experiential activities. Although the chapters and exercises are presented in a logical progression, each chapter is fully independent of the others - readers can skip around and...
