TriGate Group, The. Paperback. Book Condition: New. Paperback. 368 pages. Dimensions: 8.5in. x 5.4in. x 0.9in.It has been fifty-five years since the angels of the Apocalyptic War attempted to wipe out humanity. Now a new nation has been built where alchemy is forbidden, and angels fear for their lives as they hide among the mortals. The citys leaders share one view on the ancestors of angels: shoot first, no questions. When her twin brother falls into a strange coma, sixteen-year-old Chela Prizeon vows to discover her role among these exiles, the royal angels known as the Lost Immortals. Chelas only hope lies with the mysterious, but infuriating leader of a rebel group. But can she trust this boy, someone who can control her dreams and her heart. Escape into a world filled with celestial creatures, fascinating villainy, high-stake choices, and forbidden romance. What reviewers are saying: I fell in love with this story right away. The authors writing is so expressive, it wasnt hard to fall into her world and get wrapped up in the mystery and suspense surrounding Chela. - Addicted to Reading Blog Spot It is heavily intriguing and a wonderfully written story about Seraphim, Cherubim, the Caduceans and the Tainted. Her world seems almost magical in thinking that there is a world beyond what we know and perceive. Id tell you more, but this is one I would recommend reading to get the whole story first hand. - Picked by Poison Reviews KLeighs Angels are spectacular! They are hardly feathered but more like those warrior angels from the movie Legion (2009). This is not a Nephilim story either, KLeigh created a world of her own, she owns Corunum the same way Suzanne Collins owns Panem (Hunger Games). Thats how vivid and detailed the story is. --Talk Supe...
