

Medical Tourism - Surgery for Sale!: How to Have Surgery Abroad Without It Costing Your Life (Paperback)

Filesize: 6 MB

Reviews

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

Celebrity Expert Author, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Thinking of taking your surgery into your own hands? What you don't know CAN hurt you. With long wait times and limited availability, many patients opt to get surgeries done abroad. It's a consumer's market and a crap shoot all at once. But you can make a sound decision, get great value, and the outcome you want, when you know how to ask the right questions. This is for you if: The wait time for your surgery is longer than your lifestyle will allow The surgery you want is not available here Your doctor won't approve the procedure you want done Health insurance does not cover it and you want to save on the out of pocket cost You're fearful and overwhelmed by all the choices you have to make You want to get a good deal and the highest quality care You want to make the process seamless and stress free In this cutting edge book you will learn: Critical information that will make the difference between glowing and dismal results 50 questions that you want answered before you say yes How to get the logistics handled so the experience is not a nightmare How to compare facilities and prices so you can make the best decision Plus 15 other deal breakers that you'd never know to ask about From her experience as an operating room nurse, to advising the government on surgical instruments sterilization, Janet Bristeir knows surgical safety inside out.
