Christians don t always realise that the Muslim view of Christian belief is often coloured by connotations of the Crusades, invasion, imperialism, immorality, and blasphemy; the persistence of these feelings is often difficult for believing Christians to understand. This accessible book is the ideal introduction for any Muslim who seeks to discover more about Christianity. Malcolm Steer, a Christian who has ministered to Muslims for over 40 years, shares the origins, the central beliefs, and the teachings of Christianity, and enables the reader to separate truth from myth and make an informed opinion.
