WW Norton Co, United States, 1994. Paperback. Book Condition: New. Reprint. 206 x 137 mm. Language: English . Brand New Book. Compiled together for the first time, here are three plays by Argentine novelist and playwright Manuel Puig: the well-known Kiss of the Spider Woman, a sharply provocative tale of love, victimization, and fantasy, and of the friendship that develops between two strikingly different men imprisoned together in a Latin American jail; Puig s first drama written directly for the stage, Under a Mantle of Stars, a recurring dream that is never ending; and Mystery of the Rose Bouquet, an astute tale of deep compassion and illusion. This is convincing proof that Manuel Puig was one of our most talented writers - no matter what the medium. Puig is the author of seven novels, translated into fourteen languages.
