CHURCH SAFETY AND SECURITY: A PRACTICAL GUIDE

[DOWNLOAD](#)

CSS Publishing Company. Paperback. Book Condition: New. Paperback. 152 pages. Dimensions: 8.4in. x 5.4in. x 0.5in. The church has always been regarded as a safe haven - a spiritual sanctuary where people can come to worship God free from worries about violence or unethical behavior by those involved in church ministry. But our culture is changing, and church leaders can no longer assume that it won't happen in my church. Like the rest of society, churches need to ensure the safety and security of their facility, staff, and worshipers. This book provides a wealth of practical information on preparing for and responding to the challenges of a dangerous world. Robert Cirtin draws on more than two decades of law enforcement and investigative experience, and with his team of professionals outlines a how-to approach full of specific proactive steps churches can take to protect themselves and reduce the risk of costly lawsuits. Church Safety And Security is a must-have resource for anyone participating in or preparing for church leadership. Topics covered include: Utilizing background screening to protect your congregation. Safety and security issues for church-run preschool and day care programs. Preparing for and responding to medical emergencies. How to deal with issues pertaining to child abuse. Legally mandated responsibilities of church staff members. How to utilize security surveillance cameras in the church facility. Organizing a church security officer program. Effectively coping with intruders. Responding to violent acts when they occur. How to conduct a thorough investigation. If you are a pastor, associate pastor, preschool director, church school principal, deacon, elder, vestry person, or denominational leader - read this book, then read it again! Make it required reading for every leader in your church. Protect your congregation, your property, and your reputation in the community by doing all you can do to hire the...
