

Baby Sleep Training: How to Get Baby to Sleep Through Night Well (Paperback)

By Isabel Jones

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Imagine you have 6 months old twins. One of them falls asleep without an issue, but the other one requires being swaddled and much more rocking to fall asleep. You re following the same routine and strategy, and then what on earth is wrong with your little angel who keeps you awake all through the night? Whether you ve embraced motherhood just now or you re enjoying your time with your baby for a few months now, the chances are you re constantly looking for a panacea to help your baby sleep well, and give you a chance to overcome your fatigue and have your bedroom and marriage back. It s usually a matter of trial-and-error - you have to try a few methods and strategies before you hit the bull s eye. That s where you will find this book to be extremely helpful - it will walk you through the complications involved in a child s nap and tells you what you as a parent should expect in those memorable, and relatively tough early months. This...
