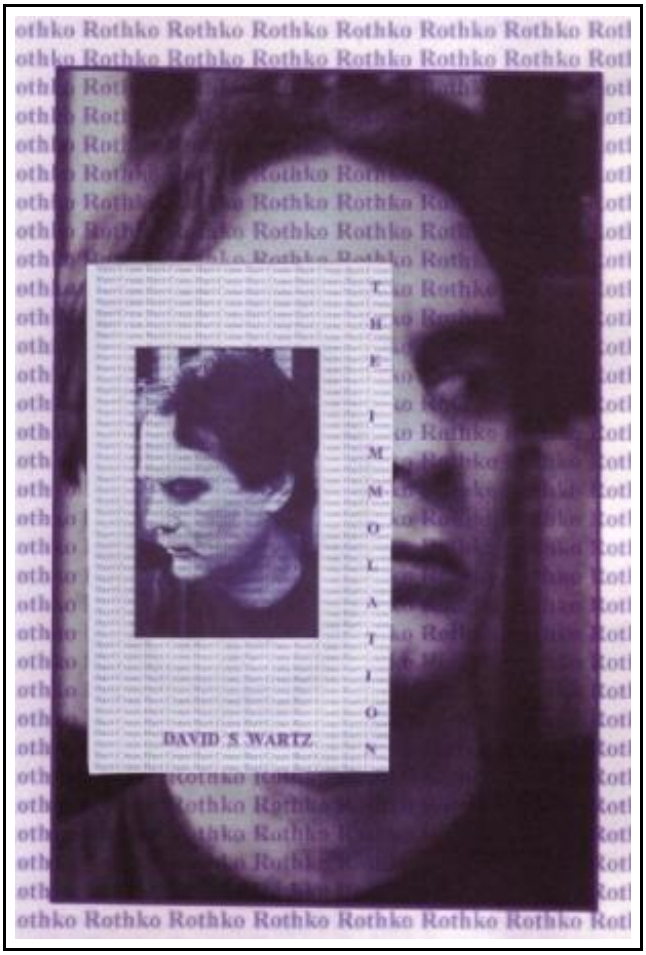
Hart Crane: The Immolation (Paperback)



Filesize: 2.07 MB

Reviews

Definitely one of the better ebook I have possibly read through. It usually will not charge excessive. You wont feel monotony at anytime of your own time (that's what catalogues are for regarding if you check with me).

iUniverse, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Hart Crane: The Immolation is the companion to Rothko, Swartz s 14th book, the title poem of which is in nearly all respects a mirror image of the 33 section dramatic monologue of this last and current Hart Crane, the title poem and poet s 15th volume. The action is simply the final hours of Crane s life. Based on exhaustive research which centers on the 3 seminal QUOTED texts, Hart Crane investigates the Guggenheim abortive journey to Mexico, the pathos-ridden attempt at a heterosexual escape from the very source of his own greatness, the spasms and misdeeds, the thrashings, psychic and physical, which precipitate a final leap into the sea from a steamship bound for New York City in 1932. Crane flails jaggedly toward immolation. His work, as difficult to follow as his suicide, will certainly outlive him. This final poem, attempting to reconstruct the futility and transcendence of life AND work, may speak to both. It is a valiant attempt to do so. The balance of this volume is given to a verse drama, Saul, from 1987.
