Brand New Book ***** Print on Demand *****.Have you ever wanted to paint with a world famous artist? Well, this is your chance! Now you can paint with Metro, the amazing painting racehorse, using colored pencils, pens and crayons. Coloring with Metro is not your normal, boring coloring book where you color inside the lines and fill in the simple shapes that you get with most coloring books for adults or coloring books for kids. Instead, Coloring with Metro challenges you to channel your inner artist to find art in Metro's random shapes and scribbles. Every single page was done by Metro holding a pen in his teeth., and underneath all of the scribbles is a Ron Krajewski drawing of Metro, or one of his barn buddies or farm animals, just waiting to come forward. Both grown-ups and children will have fun working with Metro's strokes to create their own unique and stunning work of art. Ron and Metro work side by side every day, making their own unique brand of art. Why don't you join them and find out if you have what it takes to color with Metro?.
