By Wade C Wilson

Wade Wilson, United States, 2012. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The Hidden Truth considers wide-ranging fields of study to develop a logical path through compelling evidence to discover the nature of reality and the meaning of life. This inspiring book begins with a review of the most scientifically sound evidence from the fields of quantum physics, near death experiences, out of body experiences, reincarnation, and hypnosis-type contributions, including inter-life sessions, spirit guide interviews, and channeling. The evidence is presented in a convincing fashion, moving in a deliberate step-by-step tempo to show evidential agreement and substantial overlap between these separate fields of study. A skeptic himself, Wilson sought to present this overlapping, conclusive evidence in a logical flow so that fellow skeptics might reach the same conclusions concerning the nature of reality and the meaning of life. This book will inspire you to relook at life situations through this new lens of understanding, and provides amazing hope for the future of humanity.
