Trafford Publishing, Canada, 2006. Paperback. Book Condition: New. 216 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Gas Masks and Palm Trees: My Wartime Hawaii belongs on bookshelves next to books about the cause and effects of the December 7th attack. It paints a concise picture of changes that occurred on Oahu after the attack on Pearl Harbor. I continue the saga where others have left off. My personal chronological account of conditions and changes that took place have been recorded on paper for all to read. As a member of the USO Flying Squadron, I met and danced with servicemen from practically every state in the Union. One of the dances was held in a remote area for Carlson s Marine Raiders, where I met the famous Evans Carlson and Second in Command, Col. James Roosevelt, the President s son. Life was an adventure for a young girl growing up in wartime Hawaii. We were far outnumbered by young males.
