Career Press, United States, 2006. Paperback. Book Condition: New. 203 x 132 mm. Language: English . Brand New Book. Is your pet really dead? Paranormal investigator Joshua Warren thought his dachshund was, but for weeks after her death he still heard her shrill, desperate whining haunting his home. Using an array of high-tech equipment, he searched for her presence. What he found led him on an exploration of ghostly animals throughout history. That exploration is here, in Pet Ghosts. From known creatures to unknown, ancient to modern, anecdote to scientific theory, in text and pictures, Pet Ghosts is a comprehensive look at how animal spirits relate to humans, for better or worse, and how you can document them on your own.
