Thus can they teach their children, in time to come, what kind of races have peopled this continent; especially before civilization had marked them for destruction, and their hunting-grounds for our possession. The rights and wrongs of the Indians should be told fairly, in order that justice may be done to such as have befriended the white men who have met the Indians in pioneer life, and been befriended often by the savage, since the Mayflower landed her pilgrims on these shores some two hundred and fifty years ago. The writer proposes now only a history of Indians since he began to know the Six Nations in Western New York, about forty years ago. Since then, these have dwindled down to a handful, and do not now exist in their separate tribal relations, but mixed in with others, far away from the beautiful lakes they once inhabited. WHERE DID THE INDIANS COME FROM? The origin of the native American Indian has puzzled the wisest heads. The most plausible theory seems to be that they are one of the lost tribes of Israel; that they crossed a narrow frith from the confines of Asia, and...
