That I can not do. I must learn before I speak: and no man, except one from whom wisdom has altogether departed, would venture opinions upon so complex a web of public questions as that which today excites the mind of America. Instead of any such Thanksgiving sermon I shall try today to offer you a few quiet thoughts as to how his first Thanksgiving Day in America strikes a British man. First of all, the fact of Thanksgiving Day, and the very great emphasis laid upon it, and the feelings associated with it and its customs, seem to me to give to all the world the keynote of the nations thought. This is an attitude of mind, a tendency towards healthy-mindedness, that expresses itself in thanksgiving rather than in any other of the various ways in which you might celebrate your nationality.
