MURDER IN THE CITY

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 30 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. This Book is Titled: MURDER IN THE CITY The First of many Parts to come with this exact Title may or may not be about a Murder in a Big City. There are countless of other Books not yet written so I need to take a Sabbatical in order to clear my mind and begin with the second Book that once again may or may not have 30 or more pages. The Minimum Pages I write and is accepted by this Book Publishing Company called: CREATESPACE is 24 pages long. However, I decided to add the 4 extra pages and did the Spell Checking to make sure there were no Miss Spelled Words. Although Ive lost track how many Books Ive written so far to this date, this series will be about a Murder Mystery that is set in a famous Big City and no its not NYC. So the Cast of Characters are all on their own Holiday Time off from the Screenplay Version Only since I dont intend to write the Book version as of yet. Let me say that the Main Female Character is from Tampa, Florida as is the Main Male Character. The Setting is basically and may be in Hillsborough County, Florida. Except at the time of the Book which I did write this a long, long time ago and have just found the file to save it in the PDF version I never thought for a second that this would be set in other than the City Of (L. A.), California. Let me tell you what this Female Character was like when I worked Side by side with her at a Well Known Super...
