It is not aimed at solving every problem on earth. While attempting to enlighten Christians about false preaching, it does not discard the promises of the Lord for those whose hope is in Him. The gist of the book is simple: a dream born of the Lord can never be changed by circumstances. The precepts that guide Christian living never change because of one s condition at a particular point in time. God expects us to be obedient to His commands so that we can achieve and bless mankind accordingly. More importantly, life is centered in the heart. If the same heart has been tempered with and no remedial process has happened, the heart remains restless.
