Moody Press,U.S., United States, 2013. Paperback. Book Condition: New. New. 235 x 159 mm. Language: English . Brand New Book. The Adventure Guide is designed to help parents, teachers, and students discover and analyze biblical themes and literature concepts while reading Little Pilgrim s Progress. Partnering with the Adventure Guide will make reading this incredible allegory an unforgettable event for your child or student.The guide breaks the novel down into 2 parts, Christian s journey and Christiana s journey. Each journey is separated into four reading sections. These reading sections include vocabulary, questions, allegorical interpretations, literature elements, Bible application, character charts, and character matching. A Parent/Teacher Helps section is also included, offering detailed suggestions regarding story charts, a mapping bulletin board that can also be used as a game, and several art and literature extensions.Oftentimes literature activities become busy work that detracts from the story. But the Adventure Guide activities and story extensions are meaningful and encourage further examination of story characters, themes, and symbolism. A brief biography of John Bunyan is also included to aide in discussion about the original classic, Pilgrim s Progress.
