Praise for Finn And The Magic Chest Books. . . This story is so cute and brought back memories of when I was young and imagined I was a superhero or secret agent. Children will love the graphics and the great story when Finn visits his grandparents and the many adventures he can have with dressing up and the magic chest. Cute story for young to read. Good book for teaching children about imagination too. Pictures are simple, but cute. Worth buying. I loved the magical story and the illustrations. This is one of those lovely stories that can and will be read again and again. It is a terrific, creative story that my grandchildren and I just love. What child could hear this story and not have sweet dreams We cant wait to read about more of Finns magical adventures. Super job!
